## **WallBuilder's Rick Green**

**A historical overview of God in America's history.**

Rick is an attorney, author, and speaker. He was raised in Wylie, Texas, graduated from Angelo State University and the University of Texas Law School.

Rick was elected to the Texas Legislature at the age of 27, serving from 1999 to 2003.

Rick is proud of his effort to bring together 102 House Republicans and Democrats to enact legislation which requires the teaching of the Declaration of Independence and the Constitution for one week every year.

Rick is one of the most dynamic and inspirational speakers in America today. He empowers and challenges about 100,000 people a year in live audiences and millions more through radio and television.

We're counting on you. Together we can make a difference and return to the basic tenets on which our country was founded. However, we can't do it alone. We need your help to return our country to "We The People".
